A min of 50 % of courses during the exchange must be taken at University of Graz.</p>
<b>Course information English-taught courses</b>	<p>→ <a href="#">Online course guide</a></p> <p>→ <a href="#">Guidelines for course system</a></p> <p>→ <a href="#">Search for English-taught courses</a></p>
<b>Restrictions</b>	<p><b>Pharmacology</b> as well as <b>Joint Degree Programs</b> are NOT open to exchange students.</p> <p><b>Lab placements</b> are generally difficult and cannot be guaranteed.</p> <p>An application for <b>translation/interpretation/transcultural communication with German</b> is only possible if students are enrolled in a translation/interpretation degree at their home university.</p>
<b>Early exams / Alternative exam modes</b>	<p><b>CANNOT BE GUARANTEED!! Please note that each professor decides for his/her course whether early exams / alternative exam modes are possible. It is the student's responsibility to contact each professor as early as possible in the application process and definitely before finalizing travel plans in case they need to return to their home universities before the end of the exchange semester at Uni Graz.</b></p> <p>Early exams are <u>NOT available</u> for lecture-type courses at the Faculty of Business and of the field of English and American Studies. For other types of courses such as pro-seminars, seminars professors have the last say.</p>

<b>Housing</b>	<p>For housing information go to <a href="https://international.uni-graz.at/en/incoming-exchange/exchange-students/">https://international.uni-graz.at/en/incoming-exchange/exchange-students/</a> &gt;&gt; Living in Graz</p> <p>Students can apply for housing either via the housing office of the Austrian Exchange Service (OeAD) or at the different dorms directly. For deadlines of housing applications at the individual dorms, please check the respective websites.</p>
<b>Language Requirements</b>	<p>University of Graz recommends language level B2 in German in order to take full advantage of the mobility. Students who will only take courses in English must have B2 English knowledge.</p> <p>Students who will only take courses in English must check whether they can find enough English-taught courses to fulfill their home university's credit requirements.</p>

<b>Language courses</b>	<p>3-week German Intensive Language Courses (6 ECTS credits incl. in transcript) are offered <b>in September and February</b> before the start of the semester at a reduced fee. Also, German courses during the semester are offered.</p> <p>Further information on the <a href="#">Website of Treffpunkt Sprachen</a></p>
<b>Buddy program</b>	<p>Buddies are Austrian students interested in supporting international exchange students as unpaid volunteers during their time in Graz (pick-up service, support in practical matters, etc.).</p> <p>For further information go to <a href="https://international.uni-graz.at/en/incoming-exchange/exchange-students/">https://international.uni-graz.at/en/incoming-exchange/exchange-students/</a> &gt;&gt; Buddy programme</p>
<b>Students - special needs</b>	<p>The <b>Disability Resource Center</b> is the central information and contact point:</p> <p>Further information on the <a href="#">Website of the Disability Resource Center</a>.</p>
<b>Health &amp; Safety Policy</b>	<p><a href="#">COVID-19 measures at University of Graz</a> allows you to keep up to date with COVID-19 regulations at Uni Graz.</p> <p><a href="#">COVID-19 info for international arrivals</a> allows you to keep up to date with COVID-19 related entry requirements, etc.</p> <p>The compulsory student union fee includes <b>liability and accident insurance</b>. (way to and from the university as well as on campus). This does, however not replace full health insurance coverage for the exchange stay.</p> <p>Safety facilities and trainings are provided in specific departments where applicable (e.g. labs).</p>
<b>Health Insurance</b>	<p><b>All EU/EEA students</b> need to bring their European health insurance card to Austria as it will be valid during their stay in Graz.</p> <p><b>All non-EU/EEA exchange students nominated for 2 semesters</b> are required by law to register for Austrian health insurance upon arrival (assistance and more information available during the mandatory WELCOME WEEK). Austrian health insurance is offered for currently approx. € 62,- per month. This insurance will not cover the student's journey to Graz including medical evacuation and repatriation – the student has to make sure s/he purchases travel insurance accordingly.</p> <p><b>Non-EU/EEA exchange students nominated for 1 semester</b> are free to choose their insurance as long as this insurance is in accordance with the requirements for an Austrian visa application. For details students have to contact the Austrian embassy in their country of residence. The insurance must also cover their journey to Graz including medical evacuation and repatriation.</p>
<b>Visa &amp; Residence Permit</b>	<p>For detailed information see: <a href="https://oead.at/en/to-austria/entry-and-residence/Student_jobs_available/allowed?">https://oead.at/en/to-austria/entry-and-residence/Student_jobs_available/allowed?</a> Visa regulations make finding a job very difficult (unless students also hold an EU passport). Graz University has no facilities to help secure a job. Students should NOT rely on getting a job in Graz when budgeting their exchange!</p>
<b>Transcripts</b>	<p>University of Graz no longer issues paper transcripts. Students are expected to initiate and download their electronically signed transcript from their UNIGRAZonline account themselves within the timeframe of their enrollment.</p> <p>Transcripts can be verified online via the following link:  <a href="https://www.signatur.rtr.at/en/vd/Pruefung">https://www.signatur.rtr.at/en/vd/Pruefung</a></p> <p>Instructions for both transcripts download and verification are available on the incoming website:  <a href="https://international.uni-graz.at/en/incoming-exchange/exchange-students/">https://international.uni-graz.at/en/incoming-exchange/exchange-students/</a>  &gt;&gt; Transcript of Records</p>
<b>ECTS &amp; Grading system</b>	<p>The student workload consists of the time required to complete all planned learning activities, i.e. contact hours (lectures, seminars etc.) and private study (preparation for exams, writing of paper, reading etc.): <b>1 ECTS credit = 25 hours</b>.</p> <p>Each <b>semester</b> is comprised of <b>15 teaching weeks</b>, therefore a course indicated as a 1-hour course in the online system equals 15 contact hours, a 2-hour course equals 30 contact hrs etc. For exchange students we consider a range <b>between 24 to 30 ECTS per semester as a full-time study load</b>.</p> <p><b>Assessment:</b> The method of assessment varies between subjects. Details can be found in the online course description of each course. Students are permitted to resit exams on site during the timeframe of their enrollment according to the study law regulations (Studienrechtliche Bestimmungen). Students are not</p>

	entitled to alternative exam dates or exam modes. The decision about any such arrangements lies with the relevant professor.
